Narrative Summary of Services Rendered by Project Category

10. The following is a brief description of the principal activities of LSLLP's professionals during the Final Application Period for each project category, consistent with the requirements of section C(8)(c) of the U.S. Trustee Guidelines and section A(4)(iii) of the Local Guidelines. For each project category, the narrative summary provides a description of the services rendered in that category, their necessity and benefit to the estate, and the current status as applicable:

11. During the Final Application Period, LSLLP professionals spent a total of 298.70 hours on this category, with all services rendered having a total lodestar value of \$164,554.00. The services in this category include, among other things:

- (i) Maintaining all intellectual property, namely patents and trademarks of the Debtors in order to preserve such assets for eventual sale, which include prosecution of pending intellectual property before the various Patent and Trademark Offices throughout the world and the payment of maintenance fees and filing proof of use obligations in connection with issued intellectual property before the various Patent and Trademark Offices throughout the world;
- (ii) Preparing schedules and lists of all intellectual property of the Debtors, namely their patents, trademarks and copyrights per the request of the Trustee and performing diligence in connection therewith at the specific behest of the Trustee; and
- (iii) Responding to questions from and advising the Trustee in connection with the intellectual property of the Debtors.

EVALUATING THE APPLICANT'S SERVICES

12. Bankruptcy Code §330(a)(1)(A) provides that the level of compensation that the court may award to a professional, including the debtor's attorney, should be "reasonable compensation for actual, necessary services rendered by the . . . attorney and by any paraprofessional person employed by any such person" 11 U.S.C. § 330(a)(1)(A). Section 330 provides that a court may award a professional employed under Section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered ... and

reimbursement for actual, necessary expenses.” Section 330 also sets forth the criteria for the award of such compensation and reimbursement.

13. In awarding compensation to retained professionals pursuant to Bankruptcy Code § 330, courts take into account the cost of comparable non-bankruptcy services, among other factors. *In re Busy Beaver Bldg. Center, Inc.*, 19 F.3d 833, 848 (3d Cir. 1994) (“[T]he principal purpose of the 1978 amendments to section 330 was to compensate bankruptcy attorneys at the same level as non-bankruptcy attorneys.”). *See also*, H.R. Rep. No. 95-595, 95th Cong., 1st Sess. 329 (1977) (“Bankruptcy specialists, however, if required to accept fees in all cases that are consistently lower than fees they could receive elsewhere, will not remain in the bankruptcy field.”); 124 Cong. Rec. H11, 091-92 (daily ed. Sept. 28, 1978); § 17, 408 (daily ed. Oct. 6, 1978).

14. When reviewing fee applications, courts generally use the “lodestar” approach, pursuant to which the court first establishes a reasonable hourly rate of compensation based on the value of the services provided and the cost of comparable services, and then multiplies such rate by the reasonable number of compensable hours. *See Busy Beaver*, 19 F.3d at 849, n.21. *See also, In re Drexel Burnham Lambert Group, Inc.*, 133 B.R. 13, 21-22 (Bankr. S.D.N.Y. 1991) (stating courts employ lodestar approach “with the ‘strong presumption’ that the lodestar product is reasonable under §330”) (citations omitted); *In re West End Fin. Advisors, LLC*, 2012 Bankr. LEXIS 3045, *12 (Bankr. S.D.N.Y. July 12, 2012) (“The rules that govern fee awards and time record keeping in bankruptcy mirror those that apply in non-bankruptcy cases. Courts outside of bankruptcy generally apply the ‘lodestar’ method”) (citations omitted); *In re Cena’s Fine Furniture, Inc.*, 109 B.R. 575, 581 (E.D.N.Y. 1990).

15. When determining whether services for which compensation is sought were reasonable, courts should only disallow fees where “a court is convinced it is readily apparent that no reasonable attorney should have undertaken that activity or project or where the time devoted was excessive.” *In re Drexel*, 133 B.R. at 23. *See also, Nicholas v. Oren (In re Nicholas)*, 2011 Bankr. LEXIS 4498, *16 (Bankr. E.D.N.Y. 2011) (“[C]ourts are ‘not to penalize attorneys by viewing the efforts of counsel with the benefit of ‘2020 hindsight.’” (quoting, *In re Drexel*, 133 B.R. at 23)).

16. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

...

and

- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330 (Lexis 2020).

17. LSLLP is a venerable intellectual property (“IP”) boutique law firm. For 90 years, our practice has been devoted exclusively to trademark, patent, copyright, advertising, trade secrets, and related IP matters. We provide our clients with a full range of intellectual property

legal services, including general counseling, litigation, licensing, patent and trademark searching, opinions, prosecution, rights assignment and acquisition, and other agreement work, including the due diligence in connection with transactional, financial and venture capital matters.

18. Moreover, by virtue of our Westchester location and our enviable efficiency, we are able to operate at much lower overhead than most competitor law firms, resulting in substantially lower billing rates than those of our larger firm counterparts. Our lawyers' experience and sub-specializations permit LSLLP to staff matters with fewer attorneys than other firms would need to accomplish the same outcome. Fewer attorneys operating at lower hourly rates results in significant cost savings and communication efficiency for our clients over other firms that offer comparable services.

19. LSLLP respectfully submits that its request for final allowance of compensation is reasonable and appropriate. The services rendered by LSLLP were appropriate in light of LSLLP's role as the Trustee's Intellectual Property counsel in this case.

DISBURSEMENTS

20. LSLLP also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendition of professional services. A schedule setting forth the categories of expenses and amounts for which reimbursement is requested for the Final Application Period is annexed hereto as **Exhibit F**. A copy of LSLLP's computer-generated list of expenses for the Final Application Period are attached hereto as **Exhibit G**.

21. By this Application, LSLLP respectfully requests allowance of such reimbursement in full.

THE APPLICANT'S STATEMENT PURSUANT TO APPENDIX B OF THE UST GUIDELINES

22. The following statement is provided pursuant to ¶ C.5. of the UST Guidelines.

- a. **Question:** Did you agree to any variations from or alternatives to your standard or customary billing rates, fees, or terms of services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: No.

- b. **Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: As indicated in the attached **Exhibit E**, the fees sought in the Final Application do not exceed the fees that the Applicant budgeted for the Final Application Period, and are, in fact, considerably less than the amount budgeted.

- c. **Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Answer: No.

- d. **Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Answer: No.

- e. **Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Answer: No.

- f. **Question:** If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The Final Fee Application does include modest rate increases since LSLLP's retention in this case. The modified rates have been

accepted and agreed to by the Trustee, in accordance with the original terms of the Applicant's retention, after due notice given.

CONCLUSION

23. LSLLP believes that the services rendered during the Final Application Period were reasonable and necessary within the meaning of Section 330 of the Bankruptcy Code and that the expenses were actual and necessary to the performance of the Applicant's services.

24. LSLLP respectfully requests that this Court enter an order (a) approving a final allowance of legal fees in the amount of **\$164,554.00** plus reimbursement of actual and necessary out-of-pocket expenses in the amount of **\$37,925.81**, for a total sum of **\$202,479.81** for all services rendered and expenses incurred during the Final Application Period, of which \$199,010.31 has been previously approved and paid, and (b) authorizing the Debtors to pay LSLLP **\$1,350** in fees and **\$2,119.50** in disbursements that have not previously been the subject of the interim applications.

WHEREFORE, LSLLP respectfully requests that this Application be granted, together with such other and further relief as this Court seem just, proper, and equitable.

I, Howard Aronson, hereby certify that:

1. I am a partner of the firm of Lackenbach Siegel, LLP (“**LSLLP**”). By Order of the Court, dated March 30, 2018, Debtors were authorized to retain and employ LSLLP as special counsel *nunc pro tunc* to February 26, 2018. [Dkt. 90]

2. I am the professional designated by LSLLP with the responsibility for compliance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases (as updated June 17, 2013) (the “**Local Guidelines**”), and the Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under United States Code by Attorneys in Larger Chapter 11 Cases, adopted by the Executive

¹ The Debtors in these jointly administered chapter 11 cases and the last four digits of each Debtor’s federal tax identification number are: (i) Firestar Diamond, Inc. (2729); (ii) Old AJ, Inc. f/k/a A. Jaffe, Inc. (4756); and (iii) Fantasy, Inc. (1673).

Office for the United States Trustee (the “**UST Guidelines**”, and together with the Local Guidelines, the “**Guidelines**”) and the *Order Pursuant to Sections 105(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016 and Local Rule 2016-1 Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals* [Dkt. 82] (the “**Interim Compensation Order**”).

3. This Certification is made in support of LSLLP’s Final Application (the “**Final Application**”) for the final allowance of compensation for services rendered and reimbursement of expenses incurred for the period from February 26, 2018 through and including August 31, 2019 (the “**Final Application Period**”).

4. I have reviewed the Final Fee Application.

5. To the best of my knowledge, information and belief formed after reasonable inquiry of LSLLP’s accounting personnel and legal and paraprofessional staff, the Final Fee Application complies with the mandatory guidelines set forth in the Guidelines.

6. **Exhibit A** is a true and correct comparison of the hours expended and fees requested for services rendered during the Final Application Period against the hours and fees budgeted for the Final Application Period.

7. **Exhibit B** is a true and correct comparison of the LSLLP professionals who rendered services during the Final Application Period against the staffing plan approved for the Final Application Period.

8. **Exhibit C** contains, to the best of my knowledge, information and belief formed after reasonable inquiry of LSLLP’s accounting personnel and legal and paraprofessional staff, a true and correct comparison of the blended hourly rates for amounts requested in the Final

Application against the blended hourly rates for amounts billed by all nonbankruptcy lawyers at LSLLP in 2019.

9. **Exhibit D** is a Budget/Staffing plan approved by the Trustee indicating estimated fees for the Final Application Period.

10. In my Original Declaration attendant to the Debtor's application for the Applicant's retention by the Debtor (docket no. 47), I disclosed LSLLP's billing rates in effect at that time for matters related to these Chapter 11 Cases. I also disclosed that "[t]hese hourly rates are subject to periodic adjustment and the Debtors have been advised of that fact."

11. In accordance with ordinary practice, some billing rates for LSLLP's professionals changed effective as of January 1, 2019. LSLLP's billing rates that took effect on January 1, 2019 for the professionals working on the matters related to these Chapter 11 Cases and the affected hours billed, are as follows:

	Prior rate	Current rate	Difference	Hours billed	extension
Howard N. Aronson	590	600	10	10.45	104.5
Andrew F. Young	545	555	10	5.25	52.5
Tetsuo Nakatsu	230	280	50	1.1	55
Judy Hart	230	235	5	3.05	15.25
Total					227.25

12. These adjusted rates and the hours billed for each respective timekeeper are reflected in the monthly fee statements filed that are the subject of this Final Application.

13. The hourly rates set forth above are consistent with the rates that, effective January 1, 2019, the LSLLP professionals working on the matters related to these Chapter 11 Cases charge other comparable clients for similar services, whether in or outside of chapter 11, regardless, of the location of the client or the court in which a matter is pending. The hourly rates

listed above are appropriate and not significantly different from (a) the rates that LSLLP charges for other similar types of representations or (b) the rates that other counsel of similar expertise and experience would charge to do work similar to the work LSLLP performs in these Chapter 11 Cases.

14. The Trustee's counsel has informed me that, pursuant to the order authorizing LSLLP's retention [Dkt. 90], LSLLP was required to disclose its customary annual rate increases at least 10 days prior to the increases becoming effective. After reviewing LSLLP's fees for the period from January 2019 through March 2019, I have determined that: (i) applying its customary 2019 hourly rates, LSLLP billed a total of an additional \$227.25 for services rendered during that period in excess of what LSLLP would have billed for such services based on 2018 rates, as indicated by the chart above. To remedy this discrepancy, in the event an objection to this application based upon the rate differential indicated is filed, LSLLP will forego the \$227.25 difference.

15. Prior to the filing of this Supplemental Declaration, the rate increases set forth above were discussed with the Trustee.

16. The fees and disbursements sought are billed at rates, and in accordance with practices customarily employed by LSLLP and generally accepted by LSLLP's clients.

17. To the best of my knowledge, information and belief formed after reasonable inquiry of LSLLP's personnel, LSLLP does not make a profit in connection with any disbursements sought in the Final Fee Application.

18. To the best of my knowledge, information and belief formed after reasonable inquiry of LSLLP's accounting personnel, LSLLP does not include in the amount of any disbursements the amortization of the cost of any investment, equipment or capital outlay.

19. To the best of my knowledge, information and belief formed after reasonable inquiry of LSLLP's accounting personnel, to the extent that LSLLP has purchased or contracted for services from a third party, reimbursement is sought only for the amount billed by the third party to LSLLP and paid.

20. LSLLP maintains supporting documentation for each item for which reimbursement is sought and such documentation is available for review on request by the Court or the United States Trustee.

21. LSLLP has complied with the provisions requiring it to provide the United States Trustee for the Southern District of New York and the Debtors with a statement of the Applicant's fees and expenses.

22. The Notice Parties (as defined in the Interim Compensation Order) will each be provided with a copy of the Final Fee Application.
